To all members of the faculty and staff:

Y.O.U. needs you.

The Y.O.U. Program is conducting its annual campus-wide fund raising drive this week, and I am appealing to you for a contribution.

The projected budget of \$15,000 will enable thirty boys and girls from New Haven, Connecticut, to spend six weeks in Middlebury in order to improve their language arts skills. Students have mounted enumerable projects to raise money, and the College has made a sizable contribution to the Program. But we still find ourselves several thousand dollars short of our budgetary estimation. In short, if we don't have the necessary funds within a few weeks, we cannot operate the Program.

If you wish to support Y.O.U., please send a contribution to me at Old Chapel. All checks should be made out to Camp Y.O.U. -- Middlebury College. Contributions are tax deductible.

Yours truly,

Dale DeLetis
